● Checking due dates in PowerSchool or on class calendar Late Work Policy (Student Handbook):

LATE WORK: Students may receive no more than a 70% for any late assignment. Late work policies are defined by individual instructors in course syllabi. No late work will be accepted after the end of grading terms such as quarter and semester. Any late or missing assignment will be scored based on original scoring. If the student earns a 70% or higher, then the student will receive a 70% on the assignment. If the student earns less than 70%, he/she will earn that percentage. Extenuating circumstances will be dealt with by individual teachers.

MAKE-UP WORK: Students may be allowed up to two days per unexpected absence to complete makeup work. Unexpected absences are those due to sudden illness, injuries or death in a family. Assignments or tests, which were assigned prior to the date of the absence, are due upon return.

REDOING WORK: If a student receives below a 70% on an assignment, a student may have one opportunity to redo that assignment for a grade up to 70%. Individual teachers will determine due dates on make-up/redo assignments and which assignments can be made up. Incomplete work may not be redone for credit
