

## Meridian Technical Charter High School

Media Design 3a: Senior Design Semester 1

Instructor: Ben Taylor

Location: Meridian Technical Charter High School

Room: 110

Phone: 208-288-2928

Email: ben.taylor@mtchs.org

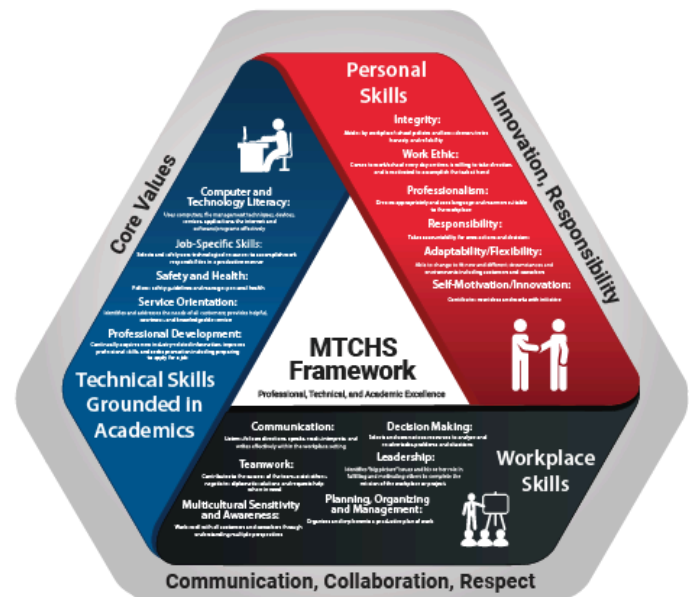

Students will be working on advanced media projects including yearbook, 3d animation, video production, graphic design, web design, and game design. Students will study marketing, communication, and digital storytelling.

Students will be working independently or in groups on projects that could span into next year, including participation in SkillsUSA state & national competitions.

This is a dual credit class with College of Western Idaho's **COMM 261 Multimedia Storytelling**

Students will be graded on their MTCHS Framework Skills  
This grade will be up to 10% of their overall grades. Framework skills will be graded by interviews and a professionalism log kept throughout the year. Checkups will be bi-monthly.

## Formative Assessment Rubric

	IWS	E	N	PA/Apprentice	J/Teach
Performance Level	Insufficient Work Shown	Exposure	Novice	Proficient	Journeyman/Teach
Definition of Performance Level	The student does not provide sufficient work to evaluate the essential content, knowledge, and/or skills needed to demonstrate proficiency.	With <i>significant</i> supervision and/or prompting the student can demonstrate, apply, or transfer the essential content, knowledge, and/or skills needed to demonstrate proficiency.	With <i>minimal</i> prompting and/or assistance the student can demonstrate, apply, or transfer the essential content, knowledge and/or skills needed to demonstrate proficiency.	The student can <i>independently</i> demonstrate, apply, or transfer the essential content, knowledge, and/or skills on a new task or in a new situation.	The student <i>consistently and independently</i> demonstrates the ability to analyze, integrate, or formulate progressive or new knowledge and/or skills on a new task or in a new situation.
