Computer Science 3B

Mr. Erickson

Course Overview

Projects in programming will involve students developing a software product through all phases of the development cycle. Project management, legal and ethical issues as well as current trends in programming will be emphasized.

Grading Policy

Grading Scale

| | |
|----|-----------|
| A | 90 to 100 |
| B | 80 to 89 |
| C | 70 to 79 |
| NC | 0 to 69 |

Late Work

Students may receive no more than 70% for any late assignment. Any missing or late assignment may be submitted up to two (2) school business days after the assignment is marked missing in PowerSchool. Exceptions to this policy may be requested by the student in writing or email. The instructor will make the final determination on extension requests and will inform the student of the decision in writing or email.

Redo

If a student receives below a 70% on an assignment, a student may redo that assignment for a grade up to 70%.

Competencies

None
